“I want to have a career so that I can help those who are in need, serve my community, and help my family to have a better future. I know that with faith and hope, it is possible to achieve anything in life.”
— Enma, scholarship student

“This is an important project, and the entire community has been involved. We have hosted the volunteers, participated in the construction process, and helped organize events. Not only the children will benefit; but also their parents and the rest of the community.”
— Daniel, community leader

81 scholarships awarded to Nicaraguan students from elementary school through university

“Thank you for helping to change the lives of many students like myself. I hope that you can continue to give us this opportunity to achieve a better education and develop our talents and skills.”
— Telma, scholarship student

68% of our scholarship students are girls and young women

13 new or remodeled classrooms for students in elementary and high school

4 new educational rooms including two learning resource centers, one multi-purpose room, and one teacher’s office

4 new educational rooms including two learning resource centers, one multi-purpose room, and one teacher’s office

4 new educational rooms including two learning resource centers, one multi-purpose room, and one teacher’s office
“The kids in my community did not know how to read well, and there were no storybooks at their school. I worked with SOL on a Reading Corner project, which helped them improve their reading skills and develop their imagination. Now they love to read!”
— Yuris, community volunteer

“It is hard to express how much this trip meant to me. The amazing people I have been lucky enough to meet have forever shaped my views of the world and my place in it. I learned so much about myself and loads of lessons to apply to daily life.”
— Tessa, high school volunteer
